EXCLUDED ITEMS

- **Excluded items:** It is illegal to transport any hazardous waste in a trash truck and dispose of it in a landfill. Hazardous waste includes: medical waste, toxic or radioactive waste, any appliance containing Freon, acids, car batteries, dead animals, and chemicals of any kind, car parts, car tires, and construction trash (includes concrete, large quantities of carpeting, fencing, rolls of carpet or any construction type material or debris). Other excluded items include: Large pieces of glass (must be broken down in smaller pieces and placed in a closed box and labeled), metal items, improperly contained animal waste (animal waste must be placed in a sealed bag to be serviced). **CFC (Freon) items are no longer acceptable items at the landfills, so we are no longer able to pick up refrigerators, freezers, air conditioners or any other item containing Freon.**
- **Excluded Liquid Waste - Toxic or radioactive waste, Freon, paint, acids, petroleum products or filters are not accepted, cooking oil, or chemicals of any kind.**
- Bulk items which are too large for Contractor to put in with the normal weekly pickup may be collected separately upon request. Party requesting service will be billed separately at a negotiated price depending on size, quantity and handling required to remove and dispose of item(s).
